

Help Light up the Night at Pumpkin Night in the Park!

Saturday, October 19th

Learn more about how you can participate at

www.springbrooknaturecenter.org/825/Pumpkin-Night

Springbrook Nature Center invites community members, community organizations, and businesses to volunteer to help Light up the Night at Pumpkin Night at the Park! Interact with over 3,000 event attendees, build connections with the community, and have tons of fun! All opportunities open to individuals and groups.

Pumpkin Displays

Take your pumpkin carving skills to the next level by creating an interactive and creative pumpkin display! Use up to 30 pumpkins, supplied by SNC, to create your pumpkin display. Displays must be family friendly and be approved by SNC staff. Learn more [here!](#)

Community Pumpkin Carving

Help Springbrook carve 1,200 pumpkins the week before the event! Use your creativity, get a little messy and have lots of fun! Springbrook will provide you will all the materials, dress appropriately, and plan for 45 minutes for your carving. Learn more and sign up [here!](#)

Weekday daytime carving times available upon request for groups of 10 or more. Call the nature center to inquire.

Event Sponsorships

Promote your local business or organization with an event sponsorship! Support from local businesses and organizations helps to make PNITP an affordable and meaningful event for community members. With a monetary sponsorship, you will promote your organization through a variety of marketing materials and event signage. Reach up to 3,000 people.

Event Volunteers

Calling all community members to help as event volunteers! We have something for everyone! From setting up, placing and lighting pumpkins, helping with parking, bingo, dressing up in costumes, and cleaning up. We can't do this event without the help from community volunteers! Learn more [here!](#)

Indoor and outdoor volunteer opportunities available.
