

Documents to be Submitted for Commercial Roofing Review

One copy of the following items **must** be submitted with the application.

1. Full written scope of the project submitted to owner.
2. Shop drawings / section view of new installation.
3. A listing (name) of each specific manufacturer's products being installed.
4. The flame spread documentation for any foam products being installed.
5. The thickness of all products being installed.
6. The fire tested assembly number designation (UL, Factory Mutual, ICC).
7. Any documentation from Minnesota registered structural engineer.
8. Copy of manufacture's installation instructions.
9. Provide design detail to meet the requirements of Sec. 1504.4 of the 2020 I.B.C. ANSI / SPRIE ES-1.
10. Provide manufacture and detail of edge securement per Sec. 1504.5, 2020 I.B.C. ANSI / SPRIE ES-1.
